Report Language in Final FY 2020 Budget:

University Centers for Excellence in Developmental Disabilities - The agreement includes \$1,000,000 to establish a pilot program to support partnerships between existing University Centers for Excellence in Developmental Disabilities and highly-qualified, non-profit service providers to develop models that offer individuals with Intellectual and Developmental

Disabilities and their families with community-based adult transition and daytime services to support independent living.

National Institute on Disability, Independent Living, and Rehabilitation Research-The agreement provides \$2,000,000 to continue projects as established by Senate Report 115-289. Funding is provided to encourage investment in research by universities and other eligible entities that seek to develop technologies that allow for independent living, address the disabled aging populations, and target rural, frontier, and tribal communities.

Assistive Technology- The agreement includes a \$1,000,000 increase for formula grant funding through section 4 of the Assistive Technology Act.
